

Explore & Learn: Singapore Cable Car Learning Journey

Min. 20 students to go

Explore & Learn @ Mount Faber is a professionally crafted, holistic learning journey that allows students to be engaged in Singapore history outside of the classroom.

Students will start the journey at Mount Faber Peak. There, they ring the Poland's Bells of Happiness originated from 2 Polish training ships while learning how they were united on Singapore soil to continue bring joy and "double happiness" to visitors. Students will learn about the history of Singapore Cable Car and how it has maintained to keep millions of guests safe! Next, they will ride the cable car, taking in amazing aerial views from Mount Faber Peak to Harbourfront before arriving at Sentosa to learn about how the island has evolved from a fishing village to a bustling resort island it is today.
