100M: A PRIVATE DINING EXPERIENCE AT THE TOP OF MOUNT FABER PARK

Singapore, 10 September 2019 – One Faber Group, Singapore's leading operators of a suite of leisure and lifestyle services, is introducing **100M Private Dining (100M)** at Faber Peak Singapore. Surrounded by breathtaking views of the Sentosa-Harbourfront Precinct away from the bustle of the city, 100M Private Dining Room is a crystalline alcove encased with floor-to-ceiling glass windows perfect for corporate dining and intimate private celebrations.

To ensure a curated experience, there is a dedicated team who will offer personalized service and attend to the needs of the guests as they are served each delicate dish. Helmed by One Faber Group's Executive Chef Kenny Yeo, the menu at 100M will feature Chef at his most creative. "I am excited to work on this concept as it allows me to showcase my creativity and develop new ideas. 100M will be my very own culinary playground, bringing to life the beautiful accidents created throughout my years of experimentation," said Chef Kenny. Guests will also get the opportunity to experience a showcase of Chef Kenny's culinary prowess where he will provide a live cooking demonstration, adding to the whole dining experience. This special service is available upon request.

With over 30 years of experience in both fine dining and private dining, 100M will fully showcase Chef Kenny's expertise in French culinary techniques, while still staying true to his Asian roots. Amongst his list of achievements includes his stint in France at *Le Centenaire* (3 Michelin stars) and in Singapore at *Les Amis* (2 Michelin stars), and catering for High Net Worth Individuals (HNWI) at the Forbes Global CEO Conference in 2006 and 2008. Chef Kenny was also recently honoured as the Guest Chef at the *World Gourmet Summit (WGS) 2019's* opening reception.

Over the years, Chef Kenny has built strong relationships with a pool of international suppliers that provide him with a wide range of quality ingredients, allowing him the freedom to create 100M's bespoke menu based on seasonal produce and diners' preferences. 100M's menu can also be customized according to certain ingredient themes, such as an all-foie gras menu, to fit the guests' preference for an exclusive dining experience showcasing modern European cuisine with a touch of Asian influence.

Enhancing the experience with the perfect wine pairing for each dish is where One Faber Group's Sommelier Mohamed Yazid, with 23 years of experience, makes his recommendation from his carefully curated wine list. He holds more than nine prestigious international and local accolades and has worked alongside Chef Kenny to pair impeccable wine companions with his culinary creations designed to bring out a well-balanced flavour.

Ensuring that guests will enjoy complete privacy in a stand-alone glass alcove one hundred metres above sea level, 100M is open for group bookings of up to 30 guests, subjected to venue availability. A minimum spend is applicable to book 100M Private Dining, at \$1,200++ for lunch and \$1,800++ for dinner, with vegetarian and gluten-free menus available upon request.
