MIRACULOUS EXPERIENCES WITH FRESH OFFERINGS AT FABER PEAK SINGAPORE
Embark on a spectacular visual adventure while you relax and dine at the hilltop

Singapore, 10 October 2019 – To continuously offer guests new experiences at Faber Peak Singapore, One Faber Group has debuted four new and exciting additions to delight and engage, giving guests more reasons to return!

Arbora, a family restaurant at Faber Peak perched atop the lush greenery of Mount Faber Park, has been completely redesigned, with a new indoor seating area known as **Arbora Bistro** and a play area for the children. In the evenings, guests can watch a refreshed **Miraculous**, Faber Peak's second edition of the first-ever video mapping multimedia night show, created to celebrate the 45th anniversary of the Singapore Cable Car.

Dusk Restaurant & Bar is also introducing a new seasonal menu featuring live Maine lobsters as the central ingredient. Lastly, the **Singapore Cable Car Gift Shop @ Faber Peak** has also been given a complete makeover, so that guests can now purchase souvenirs in a shop that resembles a giant cable car cabin!

Mr Buhdy Bok, Managing Director, One Faber Group, said: "As one of Singapore's leading operators of leisure and lifestyle services, One Faber Group continually strives to enhance the experience and create delightful memories for our guests. This is why we decided to refresh not one, but four of our offerings this year in conjunction with the 45th anniversary of the iconic Singapore Cable Car."

"Faber Peak's refresh provides something for everyone! Arbora's new play area for children and the new Miraculous 2 multimedia night show creates a great destination for families to spend the day, while the new Singapore Cable Car Gift Shop @ Faber Peak and redesigned Arbora Bistro give the younger crowd picture-perfect 'Instagrammable' spots. Dusk Restaurant & Bar's new live lobster seasonal menu is for foodies who love good food with a good view."

FAMILY DINING ON A HILLTOP

Arbora has always prided itself in being a hilltop dining experience with picturesque views, and with the latest redesign this is taken a step further! Arbora has unveiled a brand-new indoor dining area — now rebranded as Arbora Bistro — giving diners a fresh atmosphere by bringing some elements of nature indoors.

The new botanical-themed feature wall is made of graphic tiles, while wood furnishings and natural materials have been chosen to give Arbora a light and cosy feel. Greenery in planter boxes scattered around the space characterise the look and feel of the new Arbora Bistro, elevating the hilltop dining experience. With rich and natural tones serving as the new restaurant's main colour palette, diners will feel a sense of calm, as if they are in a garden as they enjoy lunch or one of Arbora's signature botanical cocktails.

To keep the kids happy while mummy and daddy dine in peace, Arbora's refresh extends to the alfresco area, which has been updated with a new "kid's play area", making it perfect for families to spend a day here. The new play area will include games and activities for children, such as table soccer, mini bead coaster, shapes sorter, and electronic pinball.

In celebration of Arbora's refresh and the addition of the new space for kids, the restaurant is giving away a complimentary wishing bell with purchase of a kid's menu item from now till 31 October 2019. Pen a wish on the bell and hang it at the Arbora Garden!

ENJOY A THRILLING ADVENTURE WITH MIRA AND MIRAK

Mapped onto the *Angsana* tree at Faber Peak, Miraculous 2 now takes visitors on a thrilling journey with Mira and Mirak, firstly to the far reaches of outer space where they float past various planets, and then get thrown back to the prehistoric age when dinosaurs roamed the earth. Lastly, the pair of squirrels go on an underwater adventure exploring the depths of the sea, before safely returning to their home at Faber Peak.

Shown four times daily (7:30pm, 8:00pm, 8:30pm & 9:00pm), Miraculous 2 is a special multimedia night show that will be screened at Faber Peak until 15 March 2020.

LIVE LOBSTERS FROM TANK TO TABLE

For a limited time, Dusk Restaurant & Bar will be serving up two new Maine lobster main courses, made using live lobsters housed in a tank on-site! Diners can choose between the Whole Live Lobster Capellini, or the Whole Live Char-grilled Maine Lobster, for just \$89++.

The Whole Live Lobster Capellini is a more decadent version of the restaurant's signature dish, Tiger Prawn Capellini. The Whole Live Char-grilled Maine Lobster lets diners luxuriate in the natural sweetness of the plump lobster meat, which can either be enjoyed bare, or accompanied by brown butter if desired.

From now until 31 October 2019, diners can enjoy a 20% discount on this seasonal menu.

Cable Car Within A Cable Car

The Singapore Cable Car Gift Shop @ Faber Peak has undergone a facelift and now provides an enhanced shopping experience for all visitors! Featuring a cable car theme that is Instagram-worthy, the entire shopfront and counter wall are now modelled like a cable car cabin, while shelves are now shaped like cable cars. Faber Peak's hilltop motifs adorning the gift shop's walls truly makes it seem like visitors are shopping inside a cable car.
